Dear Customer,

Effective with shipments on January 1, 2010 Spartech is raising the price on all polystyrene products by \$0.05 per pound.

Raw material prices for polystyrene continue to be volatile with benzene being particularly active at this time.

Your Spartech account manager will be in contact with you to answer any questions you may have. Thank you for your business, especially in this tough economic climate. We appreciate your loyalty and support.

Sincerely,

David J. Gorenc

Vice President
