Dear Customer:

Effective May 18, 2009, Spartech Plastics will increase the price of all ABS products by \$0.05 per pound.

This increase is necessary to offset the rise in the cost of raw materials used to manufacture ABS products.

Your Spartech Account Manager will contact you soon to discuss implementation of the price increase and answer any questions you might have.

Thank you for your support and interest in Spartech products.

Sincerely,

Gary Orenstein
Sales Manager – Central Region
