

Variety is the Essence of Inspiration

SurfaceChoice® Printed Films

INSPIRATION CAN COME FROM ANYWHERE.

No one understands this more than the Spartech SurfaceChoice® Films team.

Whether it's a walk through the woods, a quarry, or a kitchen and bath show, this dedicated team stays inspired and ahead of industry trends to deliver the most original designs in the industry.

A leading producer of vinyl and decorative films, our Salisbury, Maryland plant offers a complete suite of capabilities ranging from calendering to embossing, laminating and design. We convert a wide variety of substrate materials such as acrylic, vinyl, styrene, ABS, paper and more.

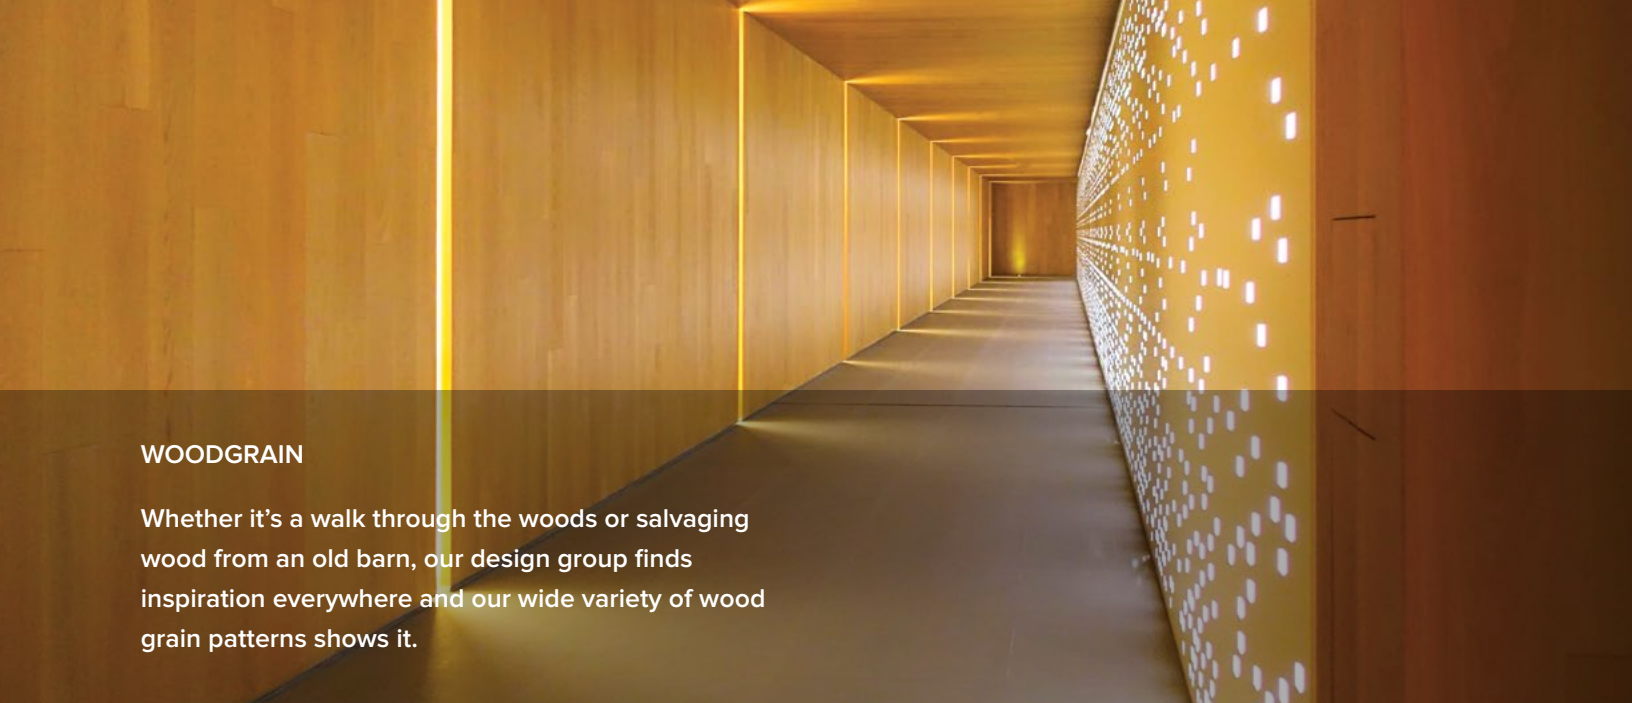

With our extensive range of capabilities and processing expertise, our products exude vibrant colors, optimal consistency and unmatched smoothness. From matte to high gloss, custom-made wood grains, natural stone, and effects, SurfaceChoice® Films offer the most versatile and complete collection of high-quality film products in the industry.

APPLICATIONS

SurfaceChoice® Films are found in a variety of markets. Common applications include:

- Labels and graphics
- Flooring
- Wallcovering
- Recreational vehicles
- Decorative caps
- Kitchen and bath
- Window & door profiles
- Furniture
- Burial vaults

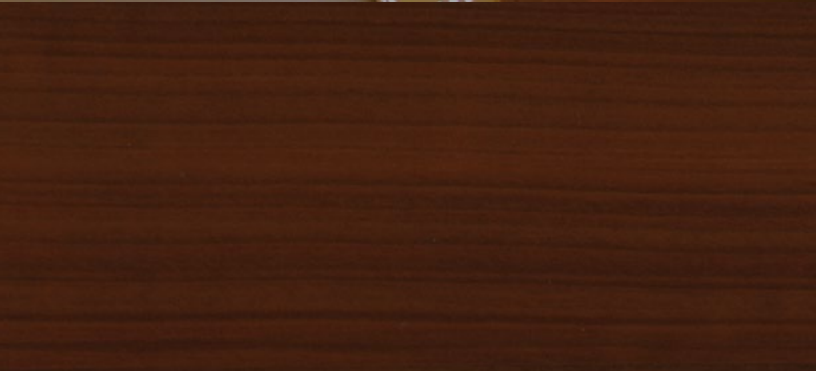

WOODGRAIN

Whether it's a walk through the woods or salvaging wood from an old barn, our design group finds inspiration everywhere and our wide variety of wood grain patterns shows it.

The Spartech SurfaceChoice® Films design team offers unmatched creative support - including unsurpassed color matching and blending, the largest library of original design patterns in the industry and more than 50 years of combined product and design leadership. Our experienced team utilizes the latest software and equipment to bring your designs, concepts and samples to market faster.

DESIGN CENTER

A powerful, online tool, the SurfaceChoice® Films Design Center can provide you with even more inspiration. It houses over 50 images of film patterns and effects, from wood grain to marble. Filter on images by category, color family or a combination of options. Visit the Design Center at www.spartech.com/spartech-resources/design-center.

CUSTOM PATTERNS

In addition, Spartech offers custom pattern development for creating a one-of-a-kind, unique look utilizing the latest printer technology. Your ideas will be transformed into reality by our team as they assist and collaborate with you throughout design prototyping. The outcome is that you get prototypes quicker so you can make the right style decisions faster.

Contact your Spartech representative or call us at 1-800-677-4338 with questions about any of our SurfaceChoice® Printed Films.

We are a leading plastics manufacturer that leverages our knowledge of materials, processing, and application development to deliver the highest level of value to our customers.
